

## 2022 Becker County Certified Weed Free Gravel Pits

**18.78 Control or Eradication of Noxious Weeds Subdivision 1,** A person owning land, a person occupying land, or a person responsible for the maintenance of public land shall control or eradicate all noxious weeds on the land at a time and in a manner ordered by an inspector.

**The goal** of the Gravel Pit Certification Program is to buy and move gravel with a reduced seed bank, maintenance, cost and spread of both invasive and noxious weeds.

**Becker County** will purchase gravel/borrow material from Certified Pits only, including new pits that become participants in this program.

**Participation** in the certification program is voluntary for new and existing pits. Requires a signed agreement.

**Two Annual Inspection: Spring and Fall. Certification** is May 21, 2022 through May 20, 2023
