Board of Supervisors Regular Meeting Wednesday, April 15, 2020

Due to COVID-19 concerns this meeting was held electronically.

Meeting Minutes

The regular meeting of the Becker Soil and Water Conservation District Board of Supervisors was held via videoconference on Wednesday April 15, 2020 at the USDA Ag Center Building located at 809 8th Street SE, Detroit Lakes, MN.

Those present at the USDA Ag Center Building were Staff members District Administrator Peter Mead, Office Manager Deana Westberg and NRCS District Conservationist Ed Musielewicz. Via video conferencing were Supervisors Travis Schauer, Tony Beck, Eugene Pavelko and Michelle Andresen and SWCD Soil & Water Technician Ed Clem and County Commissioner Barry Nelson.

Call to Order Chairman Schauer called the meeting to order at 8:32 a.m.

Approval of Agenda and Consent Agenda Items
(March 18, 2020 Regular Meeting Minutes; Employee Program Reports)

Motion (Beck, Pavelko) to approve the consent agenda items including the March meeting minutes and employee program reports. Affirmative: Unanimous. Carried.

COVID-19 Response
Update on District & Partner Operations
- Due to the Government Stay at Home order, staff are working from home and practicing social distancing best we can.
- Musielewicz reported that the doors are locked to the public and only a few employees alternate working in the office to cover the phone calls, voice mail messages, mail and packages delivered.
- Field work is still being conducted by appointment - weather permitting.
- Discussion on the district employees using administrative leave, annual leave and/or sick leave for nonwork time during the Stay at Home order. Decision was made to allow District Administrator Mead to use his discretion as needed.

Tree Season Precautions & Protocols
- The annual tree order will begin arriving on week of April 20th.
- Over 200 orders to be picked up on April 24th, May 1st & 2nd.
- Personal Protective Equipment was obtained for the staff to safely wrap and organize the tree orders.
- The Tree postcards will be mailed this week with the designated date and time block to pick up their tree order using a curbside method developed by Mead. The postcard also states that for our safety and theirs, our staff will be unable to assist with loading, so please plan accordingly.
- Signage has been ordered which will be placed on the roadsides to help direct traffic and instruct the tree customers where and what to do on the tree pickup day.
• With this new tree curbside pickup method, only a few employees will be necessary to help direct traffic.
• All tree sales need to be prepaid and no new sales on the day of pickup.

AIS Prevention Contingencies
• AIS Program Coordinator Koenig will begin interviewing and hiring the needed AIS Inspectors.
• Training dates to certify the Inspectors have not been rescheduled by the DNR yet.
• Tentative date of June 1st to start the Inspectors this year.
• Due to the delayed start date, the budgeted payroll savings may be used to purchase a used pickup, AIS equipment and more informational signage and display kiosks at boat access sites.

Financial Reports
Mead reviewed the Treasurers Report and Bills for Approval.

Motion (Beck, Andresen) to approve the March Treasurer’s Report and April bills for payment. Affirmative: Unanimous. Carried.

Reports
Administrators Report was given by Peter Mead.

• Mainly working from home as instructed so meetings are all telephone or web based.
• 1W1P steering committee and advisory meetings for Wild Rice, Buffalo Red and Red Eye.
• Natural Resource Management meeting discussing the Holiday Beach project.
• BWSR Manager meeting
• PTMApp meetings
• International Waters Institute meeting
• BWSR and Houston Engineering meeting working with the NRCS costs and GIS Software.
• Weekly district staff Microsoft Team web meetings to keep everyone working efficiently
• TSA staff Microsoft Team web meeting

Everyone is doing their part to adhere to the new staffing patterns and working from home. For the most part, business is going on as usual.

Open Forum
Jerome Flottemesch retired March 31st so a replacement is being sought out to fill this vacancy.

Local EQIP Workgroup
Tuesday June 9th at 9:00 AM was selected as the date for the virtual 2020 Local Workgroup meeting

Grants and Agreements
2020 NACD Technical Assistance Agreement
• This grant was renewed again for 2020
• Includes wages for one existing employee plus supporting staff - also covering Mahnomen and Perham.
