Becker County Announces Public Comment Period For The Long Shore Environmental Assessment Worksheet

Detroit Lakes, MN. – Becker County has released an Environmental Assessment Worksheet (EAW) for public comment. Strata Corporation is proposing to develop a new sand & gravel pit approximately two (2) miles west of Detroit Lakes, MN on agricultural property. The proposed project is titled the “Long Shore Resource Project” and would involve mining ±92 acres of sand & gravel resources plus an associated facility area on a property located in Section 31, Township 139, Range 41 of Becker County, MN. The purpose of this project is to extend the life of Strata Corporation’s aggregate reserves in the Detroit Lakes area.

The EAW is available for review both online at <http://www.co.becker.mn.us/> under News & Announcements or a copy can be viewed at the Becker County Planning & Zoning Office located at 915 Lake Ave Detroit Lakes, MN. Written public comments titled “Long Shore Project” will be accepted until November 29th, 2017 and can be submitted to:
