

## Public Notice - Recreational Advisory Committee (RAC) Meeting to Discuss Proposed Trails at Mt. View Recreation Area

The meeting will be held on June 13, 2017 at 4:30 p.m. in the Emergency Operations Center (EOC) Meeting room – third floor of the County Courthouse.

The Lakes Area Mountain Bike Alliance & Trails group (LAMBAT) has proposed creating 1.5 miles of new single track mountain bike trails on the far eastern leg of Mt. View Recreation Area (In the map below, it's denoted as Phase 4 Proposal). Currently recreational trails at Mt. View are utilized for cross country skiing and snowshoeing in winter and horseback riding and mountain biking in spring/summer/fall. In particular the RAC is encouraging horseback riding enthusiasts who utilize Mt. View AND/OR anyone interested in horseback riding in general to attend the meeting so that the RAC can better understand your views/concerns relative to what is being proposed for Mt. View. In addition the RAC will engage horseback riding enthusiasts in a separate conversation to explore horseback riding opportunities in Becker County. Please see related meeting agenda, meeting minutes from May 30th Meeting and Map of Mt. View.
