**Notice of Public Hearing:**

---

9:30 am Becker SWCD Conference Room  
809 8<sup>th</sup> Street SE Detroit Lakes, MN  
Wednesday, July 19, 2017

**Re: Detroit Lakes Airport Runway 13/31  
Shift/Extension**

Due to deficiencies identified by the FAA and MnDOT, applicant proposes improvements to achieve compliance with FAA and MnDOT Standards and system objectives for key airports, impacting and mitigating 14.03 acres of wetland.

**Date of Application:** 5/26/17

**Application Number:** 17-1

**Re: City of Detroit Lakes TH 59 Sanitary  
Sewer, Watermain and Multi-use Trail  
Improvements.**

Applicant proposes construction of a multiuse trail impacting and mitigating 0.29 acres of Type 6 wetland in conjunction with installation of sanitary sewer and water main on the Northwestern edge of the city.

**Date of Application:** 6/8/17

**Application Number:** 17-2
