

Becker County Recycling at Events Initiative

In an effort to increase recycling in our community Becker County is launching a special event recycling program for its residents. Whether it is a picnic, reunion, sporting event, fair, or show; the program offers a how-to-recycle guide and lends the recycling bins at no cost for the duration of the event.

Rewards:

- **Minimize garbage going into the trash**
- **Potential savings on your garbage bill**
- **Keep your events looking cleaner**
- **Raise awareness about recycling**

What can be collected?

- Plastic bottles
- Aluminum cans
- Paper products
- Glass bottles
- Cardboard

Who will be in charge of Recycling?

The event recycling program will be implemented by the person or the organization hosting the event. The event host will be responsible to service, monitor, and return the bins. **Becker County Environmental Services will assist (new participants) with the implementation of recycling at their event upon request.**

How to get started:

Complete participation forms from:

**Becker County Environmental Services
915 Lake Avenue 3rd Floor
Detroit Lakes, MN 56501
(218) 846-7310**
