NEWS RELEASE

DATE: August 8, 2017

CONTACT: Jim Olson, P.E.
Becker County Engineer

TO BE RELEASED: Immediately

BECKER COUNTY HIGHWAY 25

According to the Becker County Highway Department, construction improvements will begin on County Highway 25 on August 14, 2017. The project limits are from State Highway 34 to 1000' north of West Pickerel Lake Road. The project consists of complete reconstruction, aggregate base and bituminous surfacing. The project is expected to be completed by the end of October.

Due to this construction, the roadway will be closed to through traffic until the bituminous placement is completed. The detour route for this project will include State Highway 34, County Highway 21 (Richwood Road) and County Highway 32.

Construction updates and information for local traffic may be found on the Becker County website at <http://www.co.becker.mn.us/dept/highway/projects.aspx> then clicking on the Project Status button.
