NEWS RELEASE

DATE: July 2, 2018

CONTACT: Jim Olson, P.E.
Becker County Engineer

TO BE RELEASED: Immediately

BECKER COUNTY HIGHWAY 58

According to the Becker County Highway Department, construction improvements will begin on County Highway 58 on July 9, 2018. The project limits are from County Highway 37 to County Highway 44. The project consists of complete reconstruction and aggregate base this year and bituminous surfacing during the 2019 construction season. The project is expected to be completed by the middle of September.

Due to this construction, the roadway will be closed to through traffic. The detour route for this project will include County Highway 37, County Highway 26 and County Highway 44.

Construction updates and information for local traffic may be found on the Becker County website at <http://www.co.becker.mn.us/dept/highway/projects.aspx> then clicking on the Project Status button.
